

# THE SHADY BENCH PROJECT

AN INITIATIVE FOR THE BEAUTIFICATION OF HISTORIC LAFAYETTE SQUARE

Thank you for your interest in **The Shady Bench Project**. This successful project began as an effort to enhance the beauty and appeal of LaFayette Square while at the same time giving citizens and organizations in the community a chance to participate in a project offering park visitors a comfortable and shady resting spot. The new benches circle the majestic oak trees at each corner of the square providing visitors comfortable and protected seating.

With the sold out success of the initial **The Shady Bench Project** and further requests to participate in this project, we have decided to add additional benches downtown. The new benches are 6 ft. in length with an armrest dividing the bench.

Constructed of steel and polyester, they are powder-coated to offer durability and ease of maintenance. Benches will be purchased and installed with funds provided by tax-free donations to the Downtown LaGrange Development Authority. Sponsors will pay the cost

of the product and be permitted to dedicate it to an individual or organization of their choice. An attractive cast bronze plaque inscribed with the sponsor's name or message will be installed on each bench. With a \$1300 tax deductible contribution to the Downtown Bench Project, you will receive one bench and a dedication plaque with your choice of message. Take advantage of this unique opportunity to make your contribution to the beautification initiative for downtown.

I would like to purchase a bench for \$1300. Enclosed is my check made payable to the Downtown LaGrange Development Authority.

I would like for my plaque to read:

Name \_\_\_\_\_

Address \_\_\_\_\_

Phone \_\_\_\_\_

Email \_\_\_\_\_

Please return this form and your check made payable to the Downtown LaGrange Development Authority to:

Downtown LaGrange Development Authority  
133 Main Street  
LaGrange, GA 30240
