

THE DOWNTOWN PARK BENCH PROJECT

AN INITIATIVE FOR THE BEAUTIFICATION OF HISTORIC DOWNTOWN LAGRANGE

Thank you for your interest in **The Downtown Park Bench Project**.

This project began with the goal of enhancing the beauty and appeal of LaFayette Square. The project also presented community members with a unique opportunity to honor a family member or friend in a meaningful way. The initial project was a huge success and 80 benches later, the opportunity to purchase a bench for downtown is still available today.

Please contact the DLDA for current pricing information at 706-298-4532.

- The benches are 6 ft. in length with an armrest dividing the bench.
- Powder coated steel construction for durability and ease of maintenance.
- A 2" by 10" cast bronze plaque with the sponsor's name or message will be inscribed and attached to the center of the bench back rest.
- Price includes bench, plaque, shipping and installation
